

Guest policy,

Due to the size of our kitchen and the nature of our dishes (complexity & plating) groups of over six become very difficult to navigate both in terms of food and service, without severely affecting other diners. We therefore have a strict policy for groups of seven or more.

### **Lunch - Thursday & Friday**

Due to the nature of our dishes (complexity and plating) and the size of the restaurant & indeed kitchen then the below T&C's must be adhered to.

12pm or 14pm

You must also dine from a set seasonal menu 2 or 3 course menu, if you dine at 12pm then we would need your table back by 13.45pm.

\*\*if you should require a table between the allotted times then we would look for a minimum spend of £55pp, this would then allow us to give exclusive use of that table/space.

### **Lunch - Saturday**

### **Other T&C's**

- Nature is ever changing and with that so are our menus, each week we evolve our menu to reflect what nature brings us, so all pre-ordered menus will only be emailed on the Sunday night before your bookings date.
- The allotted time of your booking is the time the food will be served (unless you have booked the last timeslot), any delay to your group's arrival will impact your overall enjoyment as we will not hold back the food under any circumstances, we always suggest arriving minimum 30 minutes before your table so you can enjoy a drink and catch up before your food is served.
- Any drop in numbers will incur a £20pp charge unless the numbers have been amended within 48 hours.
- We also require a £10pp deposit to confirm your booking unless this is paid then the tables will not be reserved.
- You can only make your group reservation through email or phone you cannot book online, any attempt to book multiple tables and amend later (join together) will null and void all bookings made by you.
